INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors County of San Luis Obispo San Luis Obispo, California

We have performed the procedures enumerated below to the proper balance and accountability of cash as directed by California Government Code Sections 26920 and 26922. These procedures, which were agreed to by the County of San Luis Obispo, were performed in accordance with the aforementioned code sections. The County of San Luis Obispo's management is responsible for the safe keeping and preparation of cash and cash reconciliations. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the County of San Luis Obispo. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As directed by California Government Code Sections 26920 and 26922, an unannounced cash count and review was conducted at the County Treasurer's Office on June 30, 2015, and cash funds of \$19,887,480 were accounted for and balanced to the Treasurer's Daily Report. Investments in the County Treasury totaled \$862,027,304 and were reconciled from investment reports to the Treasurer's Daily Report. The investments were also reviewed and found to be in compliance with the current County Treasury Investment Policy. Total funds in the County Treasury on June 30, 2015, were \$881,914,784.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the proper balance and accountability of cash in the County Treasury at quarter end. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the County of San Luis Obispo and management of the County of San Luis Obispo and is not intended to be, and should not be, used by anyone other than these specified parties.
